3.1 BIDDER REGISTRATION AS INDIVIDUAL USER	3
3.2 BIDDER REGISTRATION AS CORPORATE USER	8

1 Introduction

Bid Submission module enables the tenderer/bidder to submit bids online. The tenderer / bidder should be a DSC registered user.

2 Getting Started

Access the e-Tendering web application by typing the following address in your Web Browser and pressing <Enter>:

<https://mcltenders.gov.in>

3.1 Bidder Registration as Individual User

To participate in the bids through the e-Tendering system, it is necessary to be a registered user of the site. The registration can be done by clicking on '**Click here to Enroll**' option on the right side, as shown below.

The screenshot shows the MCL eTenders website interface. The header includes the MCL logo and navigation links. The main content area is divided into several sections: 'Download Latest Tenders', 'Tenders by Location', 'Tenders by Value', 'Tenders by Classification', 'Tenders in Archive', 'Tender Notices/Displays', 'Tenders Status', 'Downloads', 'Announcements', and 'Site compatibility'. The 'Latest Tenders' section displays a table with columns for Tender Title, Reference No, Closing Date, and Bid Opening Date. The 'Latest Corrigendums' section also displays a table with similar columns. On the right side, there is a 'User Login' section with fields for Login ID and Password, and a 'Login' button. Below the login fields, there is a link that says 'Click here to Enroll For a Password?'. A red callout bubble points to this link with the text 'Click here to Enroll'.

The Registration form appears as shown below.

The screenshot shows the 'Online Enrollment' registration form on the MCL eTenders website. The form is titled 'Online Enrollment' and includes a progress indicator with steps: 1. ENROLL, 2. PERSONAL DETAILS, and 3. VERIFICATION. The form contains the following fields and instructions:

- User Type:** A dropdown menu with 'Individual' selected.
- Login ID:** A text input field with the example 'bidder30@zapac.com'. A note below states: 'Enter email address for login id, e.g: abc@nic.com (Care may be taken to enter valid e-mail ID. This information will be kept confidential. The login cannot be modified once registered.)'
- Password:** A text input field with a masked password '*****'. A note below states: 'Password is minimum 8 characters and maximum 32 Characters. It is advised to use combination alphabets & non-alphabetic characters.'
- Re-type the password again:** A text input field with a masked password '*****'.
- Confirm Password:** A text input field with a masked password '*****'.
- Next >** A button to proceed to the next step.

A red callout bubble points to the 'Next >' button with the text 'After entry click on the Next Button'. To the right of the form, there is a list of password requirements:

- Length must be within 8 to 32 characters
- Any English lowercase and uppercase (a-z and A-Z) characters
- Any numbers between 0-9
- Any special characters from the bracket [!@#\$%^&*~_]

Examples provided: Good eg: Cr1cS2009, Bad eg: cr1c2009.
